Verenigde Arabische Republiek

Syrië + Egypte 1958-1961

The United Arab States (UAS) was a short-lived confederation of the United Arab Republic (Egypt and Syria) and North Yemen (Mutawakkilite Kingdom of Yemen) from 1958 to 1961. Syria seceded from the union after de 1961 Syrian coup d'état. Egypt continued to be known officially as the United Arab Republic until 1971.
Here is an image of a stamp depicting the flags of the United Arab Republic and North Yemen, printed by photogravure, and issued by UAR (Syria) on March 8, 1959 to commemorate the 1st anniversary of the UAS, Scott No. 16, SG No. 686.

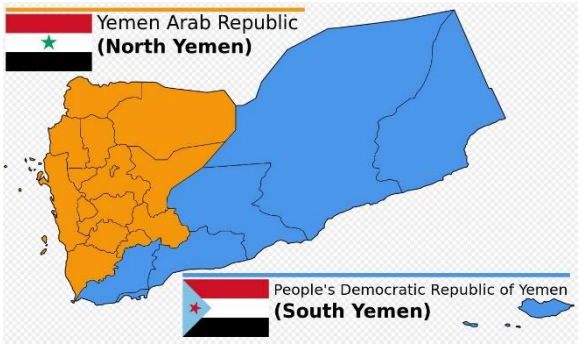
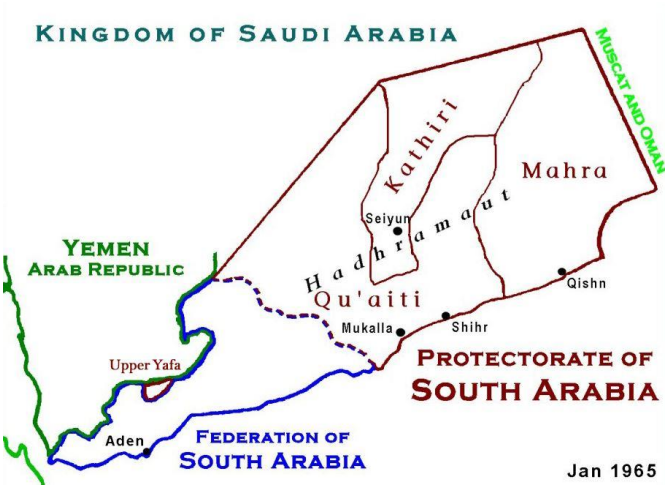
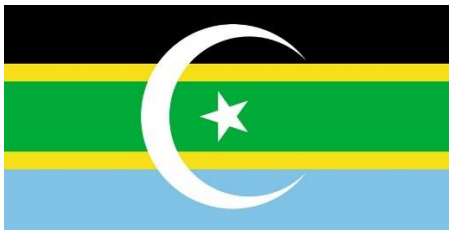
People's Democratic Republic of Yemen
1967-1990

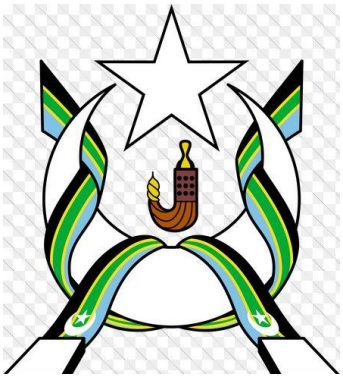


De People’s Republic of South Yemen is voortgekomen uit het Protectorate of South Arabia (1886-1967
Voor de onderdelen daarvan, zie bijgaand kaartje.
Een van de onderdelen is het sultanaat Mahra



Vanaf 1962 de Zuid-Arabische Federatie, gevormd door de 15 protectoraten van de Federation of Arab Emirates of the South
De opvolger van deze ‘staat’ is Zuid-Yemen





Over Mahra State en de post

Das Sultanat richtete 1967 einen eigenen Postdienst ein und gab ab dem 12. März 1967 insgesamt 162 Briefmarken mit der Aufschrift *Mahra State / South Arabia* heraus. Die Marken, die meist Kunstwerken oder Sportereignissen gewidmet sind, wurden in New York von der Agentur M. Sellinger produziert und direkt an Sammler verkauft.[1] Auch nach der Auflösung des Sultanats durch die „Nationale Befreiungsfront“ und der Unabhängigkeit der Volksrepublik Jemen wurden noch bis Anfang 1968 Briefmarken für Mahra herausgegeben. Zusammen mit anderen Briefmarken der Südarabischen Föderation wurden sie am 1. November 1969 für ungültig erklärt.

Republic of Yemen

1990-

Vanaf 1990 zijn de twee staten van Yemen, Noord en Zuid weer verenigd in één staat (zij het met sindsdien voortdurende burgeroorlog). Op deze brief is ook nog een postzegel van Yemen Arab Republic, dat is de noordelijke staat. De postzegel met de vlag is uitgegeven ter gelgenheid van de nieuwe eenheidsstaat in 1990.
